REQUEST FOR PROPOSAL (RFP) ADDENDUM#1 PUBLIC SAFETY BUILDING AUDIO-VISUAL EQUIPMENT & SERVICES

ADDENDUM#1

This addendum hereby modifies and amends the Request for Proposals as follows. All other provisions and requirements remain unchanged.

4.0 SCOPE OF A/V SERVICES

The Audio-Visual plans and specifications dated September 5, 2013 shall supersede the plans previously posted dated March 1, 2013. The 09/05/13 AV plans and specifications will become available on Builders Exchange, Monday, 12/16/13 (www.bxwa.com, posted under Posted Projects/Public Works/City of Kirkland/Projects Under Construction).

Furthermore, the AV Jail Alternate#1 plan sheet (Sheet # AV-220a) should not be included in any proposal as this area of the building will not be furnished as part of this construction project.

Lastly, the section titled: Court Check-in Kiosk – Future, of the project specification 274166.10 shall be priced out separately as an alternate in all proposals.
